

## Can I do this anywhere?

Yes, for sure it's a Virtual Run. That means as long as you and the team stay within the governments COVID-19 guidelines you can clock up your km's in your neighbourhood, and wide open spaces.

## Do we have to run the entire distance in one go?

Certainly not! As we say at our outdoor events, you can run, walk or skip, although skipping could become a challenge after a few hundred meters. Everyone is at a different level of fitness from beginner to elite athlete. This one is virtually all about being active and staying positive in these COVID-19 times and keeping a healthy mind. Remember, you can do it at your pace and at your place! But, the team must do it together every time, keeping the minimum distance of 1.5 meters of course!

## How can we prove....'we made it'!

Simply send a screen shot or a summary from your GPS watch, fitness app or Strava. Send us your proof by posting on the event FB page, email us [info@centauroutdoorevents.com.au](mailto:info@centauroutdoorevents.com.au) or the Myactive link

## When can I expect my custom medal?

So once we have seen sweaty proof you and your Team have made it, we will posting out your Team 'COVID CRUSHERS 2020' shield and your custom medals plus all the goodies to the Captain to distribute in the first week of July! There could be some slight delays with the current situation, but hopefully not!

## Do I have to complete the Challenge in the set time frame? (In June,2020)

Yes, especially now more than ever, we all understand circumstances can change quickly! But, we just want to get you and your team moving and to get motivated today. We just don't know what will happen tomorrow! Come on...you can do this.
