

Can I do this anywhere?

Yes, for sure it's a Virtual Adventure Challenge. That means as long as you and the team stay within the governments COVID-19 guidelines you can clock up your km's in your neighbourhood, and the great outdoors!

Do I have to do all the stages in one go?

Certainly not! As we say at our outdoor events, you can run, walk or skip, although skipping could become a challenge after a few hundred meters. Everyone is at a different level of fitness from beginner to elite athlete. This one is virtually all about being active, having an adventure and staying positive in these COVID-19 times and keeping a healthy mind. Remember, you can do it at your pace and at your place! But, your team must do it together every time, keeping the minimum distance of 1.5 meters of course!

How can I prove....'I made it'!

Simply send a screen shot or a summary from your GPS watch, fitness App or Strava. Send us your proof by posting on the event FaceBook page, email us info@centauroutdoorevents.com.au or the Myactive link.

When can I expect my medal?

So once we have seen the sweaty proof you, your Team or your Family, we will posting out your 'Bush n Bay' goodie bag and your custom medal! There could be some slight delays with delivery considering the current situation, but hopefully not!

Do I have to complete the challenge within the time frame allocated?

Yes, especially now more than ever, we all understand circumstances can change quickly! But, we just want to get you and your team moving and to get motivated today. You have the whole of July to get this done!! Come on...Tackle the Adventure.
